The President's Message

Well -- it is almost Thanksgiving as I write this. We all should have personal reasons to give thanks. Some things that come to mind that may apply to many of us: family, friends, health, religion, a great country, a good job, food on our tables, etc. One thing that all the members of the Maryland Token and Medal Society (MD TAMS) have to give thanks for is our stable, solid and very active organization. MD TAMS provides such a strong base for those of us who are collectors and historians. Our organization continually and proactively researches and documents the area of Maryland exnumia. Our journal is the source of numerous articles that provide the Maryland and even national collector base with information on local tokens, medals, encased, elongateds, poker chips, charge coins, challenge coins, etc. It is my belief that MD TAMS does this as well as ANY state token & medal organization. I am proud and thankful of our record in this area and I hope that you are too.

Another thing that we should be thankful for is that with the all too frequent passing of so many of our members, many who helped found this organization, we should give thanks for the time we were allowed to spend with these comrades. Consider all the hobby related information they were able to share with us; not to mention the things that they so willingly taught us about our hobby. We are where we are today individually and as an organization due in no small measure to these unselfish and knowledgeable hobbyists who are no longer with us.

We should also be thankful for all the new members who have recently joined us and are now part of this educational and sharing effort on which MD TAMS focuses. Hopefully, years into the future, our successors will look back and give thanks for all of us who work voluntarily to fulfill our goal of educating people about our hobby and sharing information to make our organization even stronger and more relevant. As your President, I thank you for all you have done and hopefully will do for the Maryland Token and Medal Society and our common hobby. Have a good Holiday !!

Ed

NOW THE MINUTES

Secretary - Bryce Doxzon

The October 27, 2018 meeting of the Maryland Token & Medal Society was called to order at 11:08 A.M. by president Ed Craig with 8 members and one guest in attendance. Minutes of the June 23, 2018 meeting were previously published. Treasurer Bill Stratemeyer read his report of MD TAMS account balances. Correspondence included the July through October issues of The Numismatist, and the Fall 2018 issue of the Maryland Numismatist. Secretary Doxzon noted the depiction of a Chalmers three pence on the cover, a piece similar to one found by the late Will Mumford. Ed Craig then told the story of Will finding that coin in an archeological excavation.

Jane Sears said she has some articles for the next journal issue, but could always use more.

OLD BUSINESS: Ed Craig unveiled the MD TAMS 40th anniversary project, a series of ten differently colored poker chips. A different colored chip will be given to attendees at each separate MD TAMS event, such as a meeting or a swap meet. Individual colored chips will not be sold, but a set of ten will be available at the end of 2019.

Ed Craig announced that Joe Burford has created a reference about advertising on poker chips. Hard copies were available at the meeting for \$5.00 each; members with email address will get it electronically with the next issue of the MD TAMS Journal.

NEW BUSINESS: Life member Milt Lynn's passing was noted; a sympathy card was on display for members to sign.

Ed Craig said he had not yet worked out dates for the two swap meets in 2019.

SHOW-N-TELL: John Hammond showed a Baltimore Ravens medal (featuring Ray Lewis) that he received for his birthday. Jane Sears had Rose Bar tokens and Hutzler's medal for sale. She also showed a set of 8 poker chips advertising 7 Court Liquors for sale. Streetcar tickets were given out as door prize tickets; one with extra printing on the back was the prize winner. The winner of the Trolley statue went to Lee Brokus.

Ed Craig spoke of poker chip projects by Lenny Cicero and Joe Burford, and mentioned chips issued by the Hawaii State Numismatic Association. He displayed a set of 3 poker ships issued for Maryland State Numismatic Association's a recent annual membership meeting offering it for sale at \$5.00 per set.

Bryce Doxzon showed his exhibit award from the recent ANA and PAN (Pennsylvania Association of Numismatists) convention. Jane Sears asked attending members to remind other members to pay their dues. The meeting was adjourned at 11:39 A.M. for the auction.

Respectfully submitted,
Bryce Doxzon, Secretary

MD TAMS IS TURNING 40

Where were you in 1979? Were you one of the original founders or did you join later? Club meetings (scheduled 3 times a year at coin conventions in Baltimore). Some past meetings were even held in Ocean City. Later a Swap meet was planned for 2 or 3 times a year so we could do nothing but trade, buy/sell and talk about our hobby. A Journal was established so members could share their interest in the hobby. A Literary award was given for 1st, 2nd and new author at the Annual meeting for the articles sent in for the year. The June meeting is normally our annual meeting with elections and awards.

For this 40th Anniversary, the club will offer a 10 poker chip set. Start your set early. They will be issued at the 2018 Swap Meet and each of the next eight meetings and Swap Meets. The tenth chip will be given to those who pay their 2019 dues or are Life Members.

Colors: black, red, blue, pink, orange, yellow, purple, gray, green and white.

—25— red
—25— blue

Sometime in 2019 or at the end of the celebration the 10 chip set will be offered for \$20.00 plus \$ 3.50 S & H. This will help us pay for the anniversary project. Hope you enjoy the chips and Happy Anniversary to Maryland TAMS.

The Strasbaugh, Silver & Co. Encased Cent

Recently, during a trip to Pennsylvania to look for tokens and collectables I came across a very interesting & unusual Maryland encased cent. It was issued by Strasbaugh, Silver & Co. of Aberdeen, MD and is the first cannerly encased cent I have seen from Maryland.

A quick search on google revealed that Henry P. Strasbaugh & William Silver went into business together in 1905. They distributed canned fruits and vegetables until 1911 when Silver bought out Strasbaugh and started the canned goods brokerage of William Silver & Co. which lasted until 1925. In 1908 they trademarked the Blue Bell Brand.

It is unlisted in the Maryland Encased Coins catalog.

Always nice finding things when looking through flea markets, and even better bringing them back to Maryland where they belong!

August Mencken was born June 14, 1854 in Baltimore. Son of Burkhard L. Mencken (1828-1891 grocer) and his wife Caroline (1829-1910). In 1870, he was apprenticed to a cigar maker. August Mencken founded the "Aug. Mencken & Bro." cigar factory in 1873 with starting capital of \$44.00, (\$23.00 of his own and \$21.00 of his brother Henry). Not much is recorded of Henry until the end of the article. He paid cash for everything and never borrowed money.

1879 In 1879, August married German American Anna Margaret Abbau (1858-1925). Their first child, Henry Louis, known as "H. L." professionally and "Harry" to his family, was born 1880. By 1886, Aug. Mencken & Bro. was consider one of the best cigar maker in the southeast.

"THE KILROY CIGAR"

One of their best selling cigar was named for Baltimore Oriole pitcher Matt Kilroy (1886-1889). Some of Mencken's other brands were La Cubana, Havana Rose, La Mencken Penola, Mencken's Marguerite, Jeanette and Daisy (others listed on the 1893 Columbian World's Fair trade card).

August Mencken belonged to the Freemasons, Knights Templar, Phoenix Royal Arch Chapter, a Shriner at King David's Lodge and the Bounti Temple of the Ancient Arabic Order of the Mystic Shrine. He was part owner of the Washington Baseball Club, and at one time its vice president. His son recall him as "a high-tariff Republican who ran a **NONUNION FACTORY** and was against the eight-hour day". August only hired Germans to work in the factory and no women were permitted. August traveled about 3 times a year, going to Cuba and other tobacco producing states (Pennsylvania, Ohio and Connecticut).

Brief Locals - Twenty-five cigar makers in the employ of August Mencken & Bro., West Baltimore Street, members of the Cigar makers' Union, quit work on Saturday morning because the proprietors refused to discharge non-union men who were in their employ

1883 August bought the house at 1524 Hollins Street (between Stricker and Gilmore Sts, across from Union Square) for \$2,900.

Saturday, June 27, 1885 Sun

New Houses - August Mencken & Bro. have obtained a permit to erect a four story brick warehouse on the northwest corner of Paco Street and Cider Alley.

1885 Aug. Mencken & Bro. moved out of the building in Baltimore Street (368) into a new, larger four-story warehouse, constructed at the cost of \$15,000 not far away on Paco Street. The factory burned down in December 1893. (Loss of \$40,000)

1888 On November 26, 1888 August sent his bookkeeper, Mr. Maass, to the establishment of J. F. W. Doernsen, at 217 East German Street. He purchased a Baltimore No. 10 Self-Inker Printing Press (\$7.50) and a foot of No. 214 type (\$1.10), a Christmas gift for his sons Harry (H. L.) and Charlie. (receipt shown)

1889 * "In about 1889 the Baltimore Local Cigar Makers' International Union called a strike. The union did not have the funds to pay full benefits to members; the best it could manage was the \$2.10 cost of a ticket to Philadelphia, which had so many cigar shops it was known as the Cigar maker's Heaven. The only proof it required of a candidate's profession were the tools of the trade: a haxwood cutting-board and cutting tools. The anti-union Mencken acquired a large quantity of these tools, rounded up a large number of drunks and tramps, gave them a shot of whiskey and a set of the tools, and sent them to Union headquarters for their tickets. In the course of a few weeks, according to Mencken himself, 'at least a thousand poor bums were run through the mill.' The union went broke and was effectively destroyed; the strike was broken".

1892 He purchased a summer home in Mount Washington (1892) and called it "PIG HILL" (4 acres). Purchase price was \$3,000 and \$1,500 was spent renovating it. His neighbors thought he was raising hogs.

1896 H. L. Mencken began working at his father's cigar factory in the summer of 1896 and worked there for 3 more years. "He said it was the hardest years of his life!"

From there, the funeral procession drove to Loudon Park Cemetery. He was buried in the Mencken plot.
